## Aadhaar Paperless Offline e-KYC

Aadhaar Paperless Offline e-KYC is a secure and shareable document which can be used by any Aadhaar holder for offline verification of identification.

**After entering Aadhaar/VID, create a Share Code of 4-characters. A ZIP file containing the Resident's Paperless Offline eKYC will be password protected using the same Share Code. The file will be downloaded into the Resident's device/desktop.**

To avail the service the resident will have to share the ZIP file, the Share Code and registered mobile number with the service provider.

Enter your 12 digit Aadhaar number or 16 digit Virtual ID to begin.

Aadhaar Number Virtual ID

Aadhaar Number \* 🔒

12 Digit UID (1234/1234/1234)

Enter Security Code \* 🔒

Type the character you see in the picture.

f Tj wF 🔒

Send OTP

Or

Enter TOTP

Enter Aadhar number

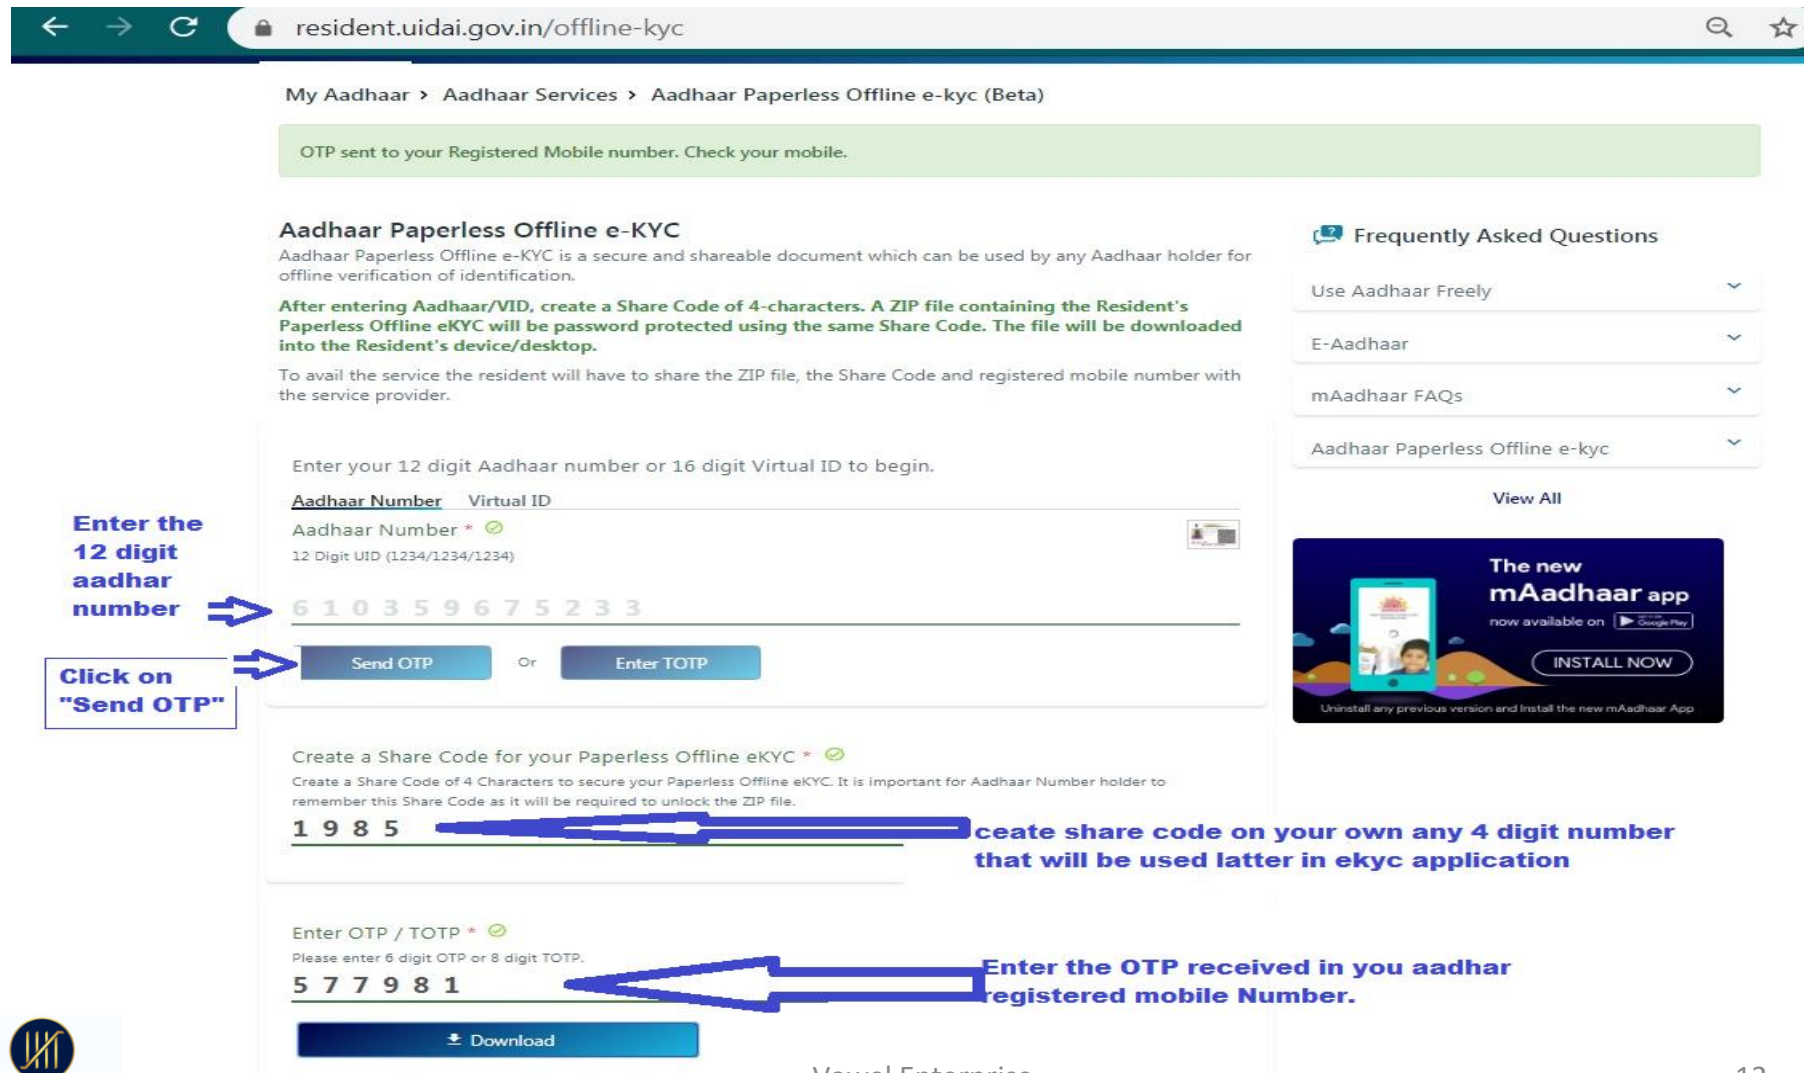

Enter security code

and

Click on Send OTP

Once you click the link for <https://resident.uidai.gov.in/offline-kyc> you will get the web page in which you have to enter the aadhar no and click on “send OTP” you will receive the OTP in Aadhar registered mobile no only.

- \* Enter Share code- you can create on own with any 4 digit number that will be used during eKYC application
- \* Enter the OTP Received in mobile and click on Download
- \* Save the XML file in any folder to upload in eKYC application.

The screenshot shows the web page for Aadhaar Paperless Offline e-KYC. The browser address bar shows the URL [resident.uidai.gov.in/offline-kyc](https://resident.uidai.gov.in/offline-kyc). The page has a breadcrumb trail: My Aadhaar > Aadhaar Services > Aadhaar Paperless Offline e-kyc (Beta). A green message box states: "OTP sent to your Registered Mobile number. Check your mobile."

**Aadhaar Paperless Offline e-KYC**  
Aadhaar Paperless Offline e-KYC is a secure and shareable document which can be used by any Aadhaar holder for offline verification of identification.

**After entering Aadhaar/VID, create a Share Code of 4-characters. A ZIP file containing the Resident's Paperless Offline eKYC will be password protected using the same Share Code. The file will be downloaded into the Resident's device/desktop.**

To avail the service the resident will have to share the ZIP file, the Share Code and registered mobile number with the service provider.

Enter your 12 digit Aadhaar number or 16 digit Virtual ID to begin.

**Annotations:**  
- A blue arrow points to the "Aadhaar Number" input field with the text: "Enter the 12 digit aadhar number".  
- A blue arrow points to the "Send OTP" button with the text: "Click on 'Send OTP'".

The input fields show:  
Aadhaar Number \*   
12 Digit UID (1234/1234/1234)  
6 1 0 3 5 9 6 7 5 2 3 3

Buttons: Send OTP Or Enter TOTP

**Create a Share Code for your Paperless Offline eKYC \* **  
Create a Share Code of 4 Characters to secure your Paperless Offline eKYC. It is important for Aadhaar Number holder to remember this Share Code as it will be required to unlock the ZIP file.

1 9 8 5  **Annotations:**  
- A blue arrow points to the share code input field with the text: "create share code on your own any 4 digit number that will be used latter in ekyc application".

Enter OTP / TOTP \*   
Please enter 6 digit OTP or 8 digit TOTP.

5 7 7 9 8 1  **Annotations:**  
- A blue arrow points to the OTP input field with the text: "Enter the OTP received in you aadhar registered mobile Number."

Download

Once “xml” file Downloaded is to be upload at “Choose File”

enter share code and click in **validate**

# Step 4—Download DSC in Token

To Download You have to install 2-Application

1. Net frame work 4.5.2 - Click here to download  
Link for Net frame work <https://www.microsoft.com/en-in/download/confirmation.aspx?id=42642>
  2. Cash solution @ version are there
- (b) For New , Token Link for Cash solution – Version - 3.0.2 for New token Click here to download  
<https://www.certificate.digital/download/?app=CashSolution>

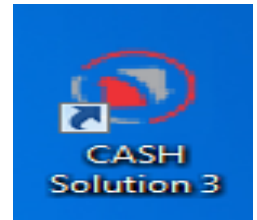

You can get the cash solution software from Login portal also.

The screenshot shows the Capricorn CASH lite login portal. The top navigation bar includes links for Back, Reload, A+ Large, A- Small, Class, Download (circled in blue), and Help. The user is logged in as IYER DEEPA SATEESH. Below the navigation bar, there is a section titled "Download Drivers and Utility Tools" with a "Home" button. Under this section, there are four tiles: "CASH Solution Download & Signing (V3.0.2)" (circled in blue), "eKYC Template and Guide Format and many more", "Certificate.Digital Android App Send Link", and "Service Fee Invoice Format Invoice Format For register".

Once the applications are downloaded and installed in system you can see cash solution symbol in desktop. Click double click on cash solution, open the software to download the DSC

A screenshot of a software window titled "Capricorn Identity Services Pvt. Ltd. : Digital Signature Certificate Download". The window has a blue border and standard Windows window controls. Inside, the text "Download Your DSC in Registered token" is displayed. Below this, there are three input fields: "Order ID" with the value "OR123546897", "Postal code" with the value "30089", and "Download key" with a masked value "\*\*\*\*\*". A "Submit" button is located to the right of the "Download key" field. In the bottom left corner, the version "Ver: 3.0.2" is displayed.

Enter details “ order id , postal code , Download Kye “ and click on submit

Insert the Token before Downloading

Enter the Order id, Pin code and Auth key (Download Key) Used during Application process and enter Submit  
( Auth key will be same as Download key as entered during step 1 of Application)
